Caltrans to Fully Close Ramps on I-405
for Construction Activities

CULVER CITY, INGLEWOOD – The California Department of Transportation (Caltrans) announced plans to fully close ramps on Interstate 405 (I-405) overnight in the cities of Los Angeles, Inglewood, and Culver City next week for a construction project.

From **Sunday, March 24, to Thursday, March 28,** the following closures will be in place from 9:00 p.m. to 6:00 a.m.:

Southbound I-405:

- Southbound I-405 to westbound SR-90 connector
- Jefferson Rd. off-ramp
- Howard Hughes Parkway off-ramp
- La Tijera Blvd. on and off-ramp
- Florence Ave/Manchester Blvd. off-ramp

Northbound I-405:

- One lane of traffic from La Cienega Blvd./ Manchester Blvd. to Howard Hughes Parkway
- La Cienega/Manchester Blvd. off-ramp
- La Tijera Blvd. on-ramp
- Howard Hughes Parkway off-ramp
- Northbound I-405 to westbound SR-90 connector

Some closures may start and end later. **All closures are weather permitting and subject to change.**

Drivers should expect delays and are strongly advised to use alternate routes or avoid the area. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans Quickmap.

The project on I-405 stretches from Port Rd. in Culver City to I-105. The works includes, installation of roadside pavement, Maintenance Vehicle Pullouts (MVPs) and vegetation control.

NEWS RELEASE

The project will also include installation of sleeves for existing sign posts, access gates, vine planting at sound wall locations to deter graffiti, installation of cable railings, and improvements to irrigation systems. The estimated completion for the project is spring 2019.

Caltrans reminds drivers to be "Work Zone Alert" and to "Slow for the Cone Zone."
